## Looking for something NEW this year?

Want to be more connected with your neighbours?  
Maybe try a new skill?  
Consider joining the volunteer team at Welcome Inn.

No experience necessary. We provide all the training....and the laughter.  
There are all kinds of different roles available:

- Making connections with seniors in the neighbourhood.
- Welcoming community members to the centre.
- Helping to stock the shelves of our food bank
- Working at New Horizons Thrift Store
- Mentoring kids at our after school programs

Connect with Ruth to get the conversation started.
